4. Evidence of Success:

Students are increasingly taking interest in this practice. They are regularly attending these classes despite their packed schedule of usual classes.

5. Problem encountered:

- i) Shortage of infrastructural facilities: A separate room is needed to hold these classes.
- j) Shortage of manpower: The Philosophy department is mainly undertaking these classes. But there are only two fulltime teachers in this department at present which is a constraint.

Resources required: Removal of infrastructural bottlenecks and more manpower will help to strengthen this practice
